

Portrush LI training in June 09

For the LI training in Portrush, accommodation is available in Ramada hotel at a special rate for conference attendees of **£79 B and B per room for one or two people** . All refreshments during training days are included in conference fee.

There are some B and B places quoting £35 to £50 per night close by in Portrush, but may be soon booked up for a Golf Competition that week. The Causeway hotel has a good B and B or weekend rate but that requires own transport for the 7miles or so to and from Portrush. Other Portrush hotels, such as The Royal Court, are also in beautiful settings only a short drive away from the conference in The Ramada. Meals in local Portrush restaurants are likely to cost about £10 for main course, but we have a special rate of **£18 for 4 course table d'hote** in the Ramada restaurant at 7pm on 4th June, and we must **confirm numbers** for that meal by **14th May** .

The closest airport is Belfast International at Aldergrove near Antrim. The other airport is just 3 miles south of Belfast city centre, now called the George Best City airport, and it may be possible to get you a lift from either, depending when you arrive. Public transport is also fairly reliable from either. Car hire is available at both airports, and the "straight" drive takes up to an hour and a half.

When your conference booking is confirmed, please contact sheelaghmont@hotmail.com (before end of April, as the hotel will not hold rooms after that) to obtain booking code for the Ramada Hotel, and to give me names to be included for the meal at the hotel on Friday 4th June @ £18. I'll also attempt to answer any other queries!

please consult the website: www.causewaycoastandglens.com for information about the area

and www.ramadaportrush.com for the conference venue:
